While we believe our traditional Margarita Man mix is the best tasting mix on the planet, there are still a few "margarita snobs" out there who insist on the finest, freshest ingredients available; this is for you! We'll put this margarita up against any restaurant's margarita on Delmarva. Made with fresh squeezed lime juice, this mix is so fresh; you might have to slap it!

Upgrade your party package for only \$10 each; extra mixes are \$30 each. (Ask about the return policy for top shelf margaritas)
